

Khyber Pakhtunkhwa Community-Driven Local Development (CDLD) First Application

S.No: _____ (for official use only)

MIS Reference No: _____ (for official use only)

Instructions:

1. Information filled in the application will be verified. Application with incorrect and wrong information will be rejected.
2. All the fields are mandatory in the application form. If you leave any mandatory field blank, your application will be rejected.
3. Fields marked with * are mandatory only, if the nature of the applicant is CBO, CO, CCB, LSO or VO.
4. The name of Village or Neighbourhood Council must be filled correctly.
5. Please give your full name and active contact number. You can also give more than one contact number.
6. Please enlist the actual number of beneficiary households benefitting from the proposed scheme.
7. Applications with less than 70% names and signatures will be rejected. If, at any stage, it was found that the signatures or thumb impressions of beneficiaries were not original, the application will be rejected straight away. Use extra sheet for 70% beneficiary list, if required.
8. The total cost of CDLD projects shall be between PKR 500,000 to PKR 2,500,000. Any scheme deviating from these limits will not be considered. You can take advice of technical and experienced people of your locality for the cost estimation. If you put unnecessarily higher cost in the application, it might lead to rejection of application.
9. Maximum 20% variance between the proposed cost estimate and cost estimate validated by the social mobilisation partner is acceptable. Any variance beyond 20% will lead to rejection of the application.
10. The project duration shall be upto 18 months. Please mention realistic timeframe.
11. In the section of "Community Share", please mention the percentage of amount which the community is willing to pay (in cash or kind). A higher percentage of community share will increase the chances of selection of your application.
12. This application should be submitted in three sets.
